● **Industrial Products :**

Pharma and Biotech

Dairy/Food/Beverages

Sugar and Refineries

Automobile/Autocomps

Pulp & Paper

Chemicals

Paints/ Inks/ Adhesives

Energy & Heavy Ind

● **Special Application Pumps :**

**Water Ring
Vacuum Pumps**

**Plunger Type Dosing
Metering Pump**

Oil Pumps

Piston Pumps

**Lube and Hydraulic
Pumps**

**Hand/Motor Operated
Barrel Pumps**

**World-Class Non-
Metallic**

**Air Operated Double
Diaphragm Pumps**

Centrifugal End-Suction
Pumps

Multi-Stage Centrifugal
Pumps

Submersible Pumps

Automobile /
Autocomps Pumps

Shear Pumps

Gear Pumps

Stainless Steel Rotary
Lobe Pump

Hygienic Stainless Steel
Centrifugal Monobloc Pumps

● Fire Safety Solutions :

Home & Car

Offices

Hospitals

Schools

Factories

Electrical Panel

Server Room

Residential Societies

● Air Conditioning Solutions :

Air Conditioning

Refrigerators

VRF Systems

Ducted Air Conditioners

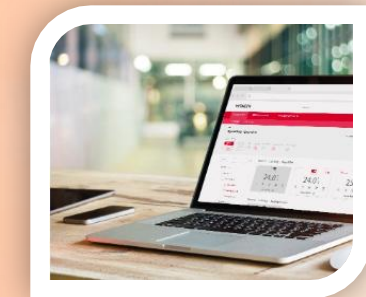

Ductless Air Conditioners

Chillers

Connect to Management

Installation Request

● Industrial Filter :

Compressed Air Filter

Industrial Air Filters

Dust Collection Bag

Vacuum Pump Filter

Pneumatic Diffused Filter

Coal Mill Lube oil Filter

Hydraulic Oil Filter Element

Hydraulic Filter Element

● Electrical Testing & Measuring Equipment :

Photovoltaic Meters

Insulation Resistance
Meters

RCD Meters

Low Resistance
Measurements

Electrical Installation
Testers

Thermal Imagers and
Pyrometers

Power Quality Analysis

Short Circuit Loop
Measurements
